Summary

A hard-working and dedicated first year engineering student at the University of British Columbia intending to pursue a degree in Engineering Physics. I have a proven ability to communicate with people of all ages, exemplified by my position as Vice-Chair of Communications for the youth council of Minister Jonathan Wilkinson.

Work & Volunteer Experience

Head designer and software developer

Vancouver, BC

MEDICAL APPLICATIONS IN SOFTWARE TECHNOLOGY - UBC BEST

Sept. 2019 - Present

- Worked with Vancouver General Hospital and the Vancouver Radiology Institute to develop a web and mobile application for paramedics and healthcare professionals.
